

OLEIKA TEMPLE TO BUILD FINE HOME.

Oleika Temple, Ancient Arabic Order Nobles of the Mystic Shrine, is to erect a temple at the corner of East Main street and Walton avenue, Lexington.

Three lots at the corner, fronting 145 feet on Main street and extending back 200 feet on Walton avenue, were purchased by the temple committee from W. Vaughn Stallard for a price said to be between \$15,000 and \$20,000.

No definite steps have been taken yet to plan the building, but at the next meeting in September a building committee will be appointed to have plans drawn and estimates prepared. Plans also are to be made to raise the funds, which will be more than \$100,000 at the least, according to members.

Tentative plans of the Shriners for their temple call for one of the handsomest and most complete structures of the kind in this section of the country. The matter has been under consideration for several months, but no definite details were worked out until the committee on the site has acted.

The Proof Is In Paris, Almost At Your Door

The public statement of a Paris citizen is in itself strong proof for Paris people, but confirmation strengthens the evidence.

Here is a Paris citizen who testified years ago that Doan's Kidney Pills relieved weak kidneys and now states the result was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mrs. A. L. Burley, 329 1/2 Eighth Street, Paris, says: "I have used Doan's Kidney Pills a few times and from the benefit obtained I can say they are a good and reliable remedy. Whenever my kidneys have acted irregularly or my back had been weak and lame I have always found a box or so of Doan's Kidney Pills, which I get at Ardery's Drug Store to relieve the complaint quickly."

The above statement was given November 10, 1916, and on November 12, 1920, Mrs. Burley said: "I haven't changed my opinion of Doan's Kidney Pills and recommend them just as highly to-day as when I gave my statement in 1916. The cure Doan's Kidney Pills made for me at that time has been permanent." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burley had. FIVE MONKS SPEND 15 YEARS ON CARVING

A wood carving descriptive of the life of Christ, on which five monks worked for fifteen years, was placed on exhibition in New York recently.

The carving, valued at \$125,000, was brought to America by Father Germanos Ageltes, one of the Monks who made it in the monastery of the Brotherhood of Nicodemus at Mount Athos, Macedonia.

The composition is twenty-eight inches high and twenty-one inches wide and includes several hundred figures in high and low relief. The central picture is "The Last Judgment," reproducing in wood, the detail of Michael Angelo's famous painting.

Kentucky, once famous for its great men, has now not a single outstanding figure in political life.
